

# Các extension hỗ trợ HTML + CSS

Màu xanh: Các extension cần thiết

Màu đỏ: Các extension không cần thiết

The image shows the interface of the 'Live Server' extension in a web browser. On the left is a purple icon consisting of concentric arcs. To its right, the text 'Live Server' is displayed in white, followed by a version tag 'v5.7.9'. Below this, the author 'Ritwick Dey' is listed, along with a download count of '41,175,000' and a star rating of '★★★★★ (462)'. A description follows: 'Launch a development local Server with live reload feature for static & dynamic pages'. At the bottom of the panel, there are two buttons: 'Disable' and 'Uninstall', both with dropdown arrows, and two icons: a refresh symbol and a settings gear. A status message at the very bottom reads 'This extension is enabled globally.'

Chạy giao diện web
